Experience sport and leisure activities at Dolder Sports throughout the year. In late autumn, things get icy on the Dolder Kunsteisbahn as the winter season launches at one of Europe's biggest artificial ice-skating rinks. From pump track and ninja trail to water slides and children's paddling pools to a football pitch – a unique open-air experience that you won't find anywhere else in Zurich. The wide range of activities also includes zorbing balls, street soccer, an electric-car track, a skimboard pool and water soccer. Classics such as table football and ping-pong are a must, while the bar and lounge area offers relaxation and pure summer fun.
